

Graduate Certificate In Human Performance Improvement

Degree Requirements

The Graduate Certificate for Human Performance Improvement requires a minimum of five courses (15 hours). Requirements for the certificate include 3 core courses (9 credit hours) of ISD 641, ISD 640, & IDE 645; 1 course (3 credit hours) from the following: ISD 621, ISD 642, or IDE 660; 1 required capstone course (3 credit hours) ISD 611.

Criteria

To be eligible, the student must meet the master's admission and applicant requirements of the IDD master's program. These include the following: a) hold a bachelor's degree or equivalent from a regionally accredited institution, and b) have a cumulative junior/senior undergraduate GPA of 2.5 or higher or 2.75 GPA or higher on the last 64 undergraduate credit hours.

Requirements For Certificate Program

A minimum GPA of 3.0 on all program of study courses and all work attempted is required. A maximum of two Cs can be counted. No grades of D or F may be counted. If a third C or any grade below is earned, the student will be dismissed from the program.

Those enrolled in the Certificate program may also elect to pursue the master's degree and be allowed to apply the courses toward their degree program once admitted and upon approval of the IDD faculty admissions committee.

Students enrolled in an IDD graduate program may opt to complete a certificate program to earn the certificate in addition to completing their degree program.

Core Courses

- ISD 621
- ISD 641
- IDE 640
- IDE 645

Culminating Capstone Experience

- ISD 611 (ISD 621 and ISD 640 are prerequisites) – culminating experience is enrollment in ISD 611 and satisfactory completion of its final project.
