Additional Information

MSN TO DNP ADDING A NEW CONCENTRATION

Admission Criteria

To be considered for admission to the DNP program, the applicant must meet the following requirements:

1. Citizen or Permanent Resident of the United States of America.
2. Current registered nurse licensure with no restrictions. Nurses with any restrictions on their license, including participation in a voluntary disciplinary alternative program, cannot be admitted.
3. Prior to enrolling in nurse practitioner clinical courses, students are required to have at least 2 years of experience in an area appropriate to their specialty.
4. Applicants to the MSN to DNP pathway must have a minimal GPA of 3.0 on all MSN work (A=4.0).
5. MSN degree must be from a regionally accredited institution.
6. Students must be in good standing with all academic institutions/nursing programs that they have attended in order to be admitted to the DNP program.
7. Submission of Health Data Forms and evidence of health insurance required upon admission.
8. Admission will be contingent on a negative drug screen and results of an acceptable background check.

Application Procedures

Admission to the program is limited and selective. Application forms and other information may be obtained from the College of Nursing's website at <https://www.southalabama.edu/colleges/con/dnp/dnpapplic.html> or by contacting the college directly at College of Nursing, University of South Alabama, Mobile, Alabama 36688; condnpadmit@southalabama.edu; Telephone: (251) 445-9400.

1. Admission to the program is limited and selective.
2. Completion of Primary and Supplemental Applications is required.
 - a. Primary Application submitted through Nursing Centralized Application System (NursingCAS) at www.NursingCAS.org. Official transcripts of all college and university studies, regardless of the outcome of enrollment, must be sent directly from the home institution to the NursingCAS. These documents become the property of the NursingCAS and will not be returned to the applicant. Applicants are responsible for any fees required by NursingCAS for their services.
 - b. Supplemental Application submitted directly to the DNP Office at the USA College of Nursing. This application requires a non-refundable processing fee of \$100.00, a Personal Goal Statement, and a résumé /CV documenting clinical experience.
3. Students are admitted to a specialty track and may not change their track without permission.

Application Deadlines

Applications are accepted three times a year, and must adhere to the following application deadlines:

- Fall Semester Deadline is March 1
- Spring Semester Deadline is July 15
- Summer Semester Deadline is December 1

Academic Progression Policy

Students in the MSN-DNP Adding a Concentration program must meet the following requirements to progress in the program:

1. Maintain an overall GPA of 3.0. Any term in which a graduate student drops below a 3.0 Program GPA, the student is placed on probationary status and has a period of two terms to attain a 3.0 Program GPA or be dismissed.
2. Students in these programs can have a maximum of two "C"s.
3. A maximum of two (2) courses with a grade of "C" can be counted towards a degree; however, only one (1) "C" is permitted in support or specialization courses. If a second "C" or lower is earned in a support (NU 518, NU 545, NU 578)

or specialization course, the course in which the second "C" or lower is obtained must be repeated before a student may move forward with a specialty course. All corresponding specialty clinical and didactic courses must be taken in sequence.

4. A student earning a third "C" or lower will be academically dismissed from the program.
5. A student earning two grades of "F" in the program will be academically dismissed.
6. The final outcome of the DNP Project Planning and Development course and the Progression course is "Successful/ Unsuccessful." Students receiving two grades of "U" in these courses will be academically dismissed.
7. Failure to show good ethical and moral character including but not limited to any of the following may result in dismissal from the program: (a) conviction of a crime, (b) disciplinary action against a nursing license in Alabama or any other state, (c) positive drug test, (d) adverse background check, or (e) disruptive behavior, including online behavior. All students must notify the Associate Dean for Academic Affairs or the Dean of the College of Nursing immediately or no later than 48 hours of any of the above state incidents.
8. All students must notify the Associate Dean for Academic Affairs or the Dean of the College of Nursing immediately or no later than 48 hours following an arrest. Failure to report an arrest may result in removal from the program.
9. All students are subject to testing for controlled substances and must submit to random drug testing as requested. A positive test or refusal to submit to testing will result in removal from the program.
10. All students are subject to a background check and must submit to additional background checks as requested. An adverse finding or refusal to submit to a background check may result in removal from the program.
11. A student who has been academically dismissed is not eligible for readmission to the DNP program and is not eligible for admission to the MSN program.

DNP Residency Coursework Policy

The DNP Residency Coursework includes the DNP Project Planning and Development, Residency I, Residency II, and Residency III. Students who do not meet all requirements in a course must complete a DNP Progression Course prior to moving forward with the next course in the DNP Residency progression.

Scientific Review Committee Policy

The DNP project will be reviewed by the USA College of Nursing DNP Scientific Review Committee to evaluate rigor and feasibility. The review process will occur during Project Planning and Development. The DNP project must be reviewed by the Scientific Review Committee before enrolling in Residency I.

Graduation Information

The MSN to DNP adding a new Concentration program must be completed in seven years of matriculation. Students in this program will receive a post-graduate certificate from the College of Nursing upon the completion of all certificate requirements. All post-graduate certificate requirements must be completed within 2 years from the semester the specialty option coursework begins. No application is required for the completion of the post-graduate certificate.

Students will only apply to graduate when they have completed all the requirements for the DNP degree.

Deadlines for each semester application are located on the Registrar's website at

<https://www.southalabama.edu/departments/registrar/commencement/index.html>.

College of Nursing website
<http://www.southalabama.edu/colleges/con/>

The College of Nursing is dedicated to the education of professional nurses who provide the highest quality health care to the communities they serve. The practice of nursing is both an art and a science; the focus of nursing is the diagnosis and treatment of human responses to actual or potential health problems.

The College of Nursing has two locations, one is on the USA main campus, and the other is on the USA Baldwin County campus in downtown Fairhope. The resources of the University, the USA Hospitals and clinics, and the numerous clinical agencies provide excellent opportunities for students to acquire the knowledge and skills essential for professional nursing.

Mission

The mission of the College of Nursing is to provide quality innovative educational programs to a diverse student body, to participate in research and scholarly activities, and to provide service to the University, the profession, and the public. The College accomplishes this by providing a caring, engaging environment for the empowerment of student learning potential, the professional development of faculty, and the promotion of the nursing profession.

Goals

1. Cultivate a caring, innovative, and engaging environment to facilitate teaching, learning, scholarship, and service.
2. Deliver innovative quality nursing programs that meet the needs of a diverse student body and other communities of interest.
3. Promote the discovery, communication, and preservation of knowledge through scholarly activities and leadership.
4. Provide service to the University, the profession, and the public.
5. Develop community partnerships to promote nursing and the enhancement of the health care delivery system using interprofessional approaches.

Accreditation

The baccalaureate program is approved by the Alabama Board of Nursing and the baccalaureate, master's program in nursing, Doctor of Nursing Practice degree program and post-graduate APRN certificate programs are accredited by the Commission on Collegiate Nursing Education:

655 K Street, NW, Suite 750
Washington, DC
20001

P: (202) 887-6791

F: (202) 887-8476

Student Responsibility

While the University of South Alabama will endeavor to provide timely and accurate advisement, it is the responsibility of the student to know and satisfy the degree requirements of the academic program, to be aware of the University calendar, <http://www.southalabama.edu/academiccalendar/index.html> and to understand and comply with University academic policies and procedures.

Degrees Offered

The College of Nursing offers the Bachelor of Science in Nursing (BSN) degree, the Master of Science in Nursing (MSN) degree, and the Doctor of Nursing Practice (DNP) degree.

Certificates Offered

Post-Graduate Certificates are awarded to students completing planned programs of study in a nursing specialty area and subspecialty areas.
