# Student & Parent/Guardian Memorandum of Understanding and Release of Liability

Applicant Name: \_\_\_\_\_

PASSAGE USA at the University of South Alabama is a post-secondary education program to help young adults, who have been diagnosed with an intellectual disability (ID), gain work skills and practice some life skills. Completing this application does not guarantee the student a spot in the program. Final acceptance to the program will be decided after careful review of all applications, related documents, and student interviews by PASSAGE USA administration.

PASSAGE USA is in an inclusive and integrative university setting. All PASSAGE USA students will be treated and viewed as university students. The following services will be provided to all PASSAGE USA students:

- Person-centered planning
- Academic advising
- Academic, social, and wellness mentoring
- Career awareness and development of work-related skills
- Life skills development
- Campus inclusion & membership
- Self-determination development (increased)

Because the goals of PASSAGE USA include allowing students to have a form of college experience and gain independence, the following are **NOT** provided by PASSAGE USA:

- 24/7 supervision
- Daily/weekly student progress reports to parents/guardians
- One-on-one supervision throughout the entire school day (including traveling to and from classes, during class, and during PASSAGE USA activities)

PASSAGE USA is also **NOT** responsible for the following:

- Students' personal belongings
- Students' personal finances and money in possession of students
- Students' diet on campus
- Student conduct
- Guaranteeing paid employment either during or upon completion of PASSAGE USA

PASSAGE USA will expect a high level of support from parents/guardians regarding the purpose and goals of the program. As parent(s)/guardians, you need to clearly understand the expectations and agree to the limitation of PASSAGE USA to provide direct teacher contact/supervision to the students enrolled. Some opportunities provided by PASSAGE USA may occur apart from the time of traditional college classes (weekends & nights) and are not limited to the students' scheduled class times. Students are required to:

- Travel throughout campus independently
- Be responsible for arranging transportation to and from USA campus and other PASSAGE USA activities' locations
- Manage their own schedule for school, employment experiences, and social activities
- Own a Smartphone and know how to use it for texting, phone calls, apps, and email
- Desire to participate in campus activities (both specifically PASSAGE USA activities & general USA community activities)
- Be responsible (or family must be responsible) for the costs of students' meals during the semester
- Provide (or family must provide) their own school supplies (books, paper, pencils, pens...)

PASSAGE USA is committed to providing students who meet eligibility requirements with an opportunity to have a post-secondary educational experience. It is PASSAGE USA's goal to assist students in the development of skills needed to live independently (or somewhat independently) and acquire skills needed for successful employment. PASSAGE USA will use Person-centered planning and Adult Education Plans (AEPs) to set students' goals and determine students' course selection and job/internship experiences each semester. **Please realize that upon completion of PASSAGE USA students will receive a *certificate* not a *diploma*. Students will not receive any college credit for their participation in classes.**

**I understand that if I/my student, \_\_\_\_\_, is accepted into PASSAGE USA that the parent/guardian will provide the necessary materials and support. I also understand that students will not be supervised at all times by PASSAGE USA administration. There are risks associated with any program provided on a university campus or in a community setting, and I, in full recognition and appreciation of any and all risks, hazards, and dangers inherent in participation in this program, am willing to accept those risks. Further, I do for myself, my child or ward, our heirs and personal representatives, agree to hold harmless and indemnify, release and forever discharge PASSAGE USA, the University of South Alabama, its trustees, officers, employees, volunteers and students from and against any and all claims, demands and actions or causes of action on account of or resulting from my child/ward's participation in Passage USA. I further understand that the University of South Alabama, its trustees, officers, employees, volunteers and students assume and accept no liability for personal injury, loss of life or damage to personal property.**
