

School of Computing (SoC) Tenure and Promotion Statement of Department and School Procedures and Criteria

Achieving tenure and promotion at the University of South Alabama is a multi-step process that begins in the School and ends with the Board of Trustees.

University policies pertaining to tenure and promotion are set forth in the *Faculty Handbook* (FHB) (<https://www.southalabama.edu/departments/academicaffairs/resources/faculty-handbook-august-2021.pdf>).

The present document describes the tenure and promotion policies of the SoC and to document critical steps and deadlines. Where not specified, SoC guidelines are assumed to be the policy as described in the FHB, specifically in sections 3.10 (Promotion Policies and Procedures) and 3.11 (Tenure Policies and Procedures). In the event of an inconsistency between this Statement and the current Faculty Handbook policy, the policy of the Faculty Handbook prevails.
