ANNUAL NOTICE CONCERNING FEDERAL LAWS & ACTS AND POLICIES OF YOUR EMPLOYER-SPONSORED HEALTH & DENTAL PLAN FOR CALENDAR YEAR 2007

USA Health & Dental Plan, Human Resources Department
University of South Alabama, 286 Administration Building, Mobile, AL 36688

WHAT YOU SHOULD KNOW

The University of South Alabama is pleased to provide its Benefits-Eligible Employees and their Dependents with a quality health plan providing some of the best benefits at the lowest cost to employees in our area.

This newsletter provides important information about federal laws and acts that affect your coverage. It also includes information about the policies and procedures of your Plan. You should read this notice carefully and keep it with your important papers. This notice, along with your Member Handbook, will assist you in understanding your rights under the Plan and your responsibilities to the Plan.

When used in this newsletter, the term "Plan" refers to the USA Health & Dental Plan. The term "Member" refers to Benefits-Eligible Employees and their Dependents, unless otherwise noted. The term "Employer" refers to the University of South Alabama, the USA Medical Center or the USA Children's and Women's Hospital.

NOTICE OF THE PLAN'S OPT-OUT OF SOME FEDERAL REGULATIONS

The federal government regulates enforcement of three health care laws: the Health Insurance Portability & Accountability Act (HIPAA), the Newborns' and Mothers' Health Protection Act (NMHPA), and the Mental Health Parity Act (MHPA). The law allows non-federal government health plans the right to be exempt from these regulations. Following review of these Acts, it was determined it is in the best interest of the majority of Members not to participate in HIPAA, NMHPA, and MHPA during the 2007 Plan Year. An explanation of the

impact of this decision on current and future Members is provided in this newsletter.

Health Insurance Portability and Accountability Act (HIPAA): Many of the provisions of HIPAA do not apply to the Plan, or the Plan is already in compliance with these provisions. For example, HIPAA requires a special enrollment period for employees who incur a Change-In-Status Event concerning eligibility of family members. This benefit has always been offered under the Plan. HIPAA prohibits group health plans from discriminating against employees on the basis of health status. The Plan has never imposed discriminatory rules.

Current Employees who have already served the 270-day Pre-Existing Conditions Exclusion waiting period, as explained in your Member Handbook will not be affected by the University's decision to opt-out of HIPAA.

New Employees and New Dependents are required to serve the 270-day Pre-Existing Conditions Exclusion waiting period, as explained in your USA Health & Dental Plan Handbook. Certificates of prior coverage

from your previous insurance plan will not reduce the Pre-Existing Condition waiting period you are required to serve under this Plan.

Pre-Existing Conditions include pregnancy or any disease, disorder or ailment, congenital or otherwise, which existed on or before the Effective Date of coverage, whether or not it was manifested or known in any way, or any condition diagnosed or treated in the 12 months before the Effective Date of coverage. The determination of whether a medical condition is pre-existing is made by the Claims Administrator, Blue Cross and Blue Shield of Alabama.

The Pre-Existing Conditions Limitation applies to each Member, individually, to initial eligibility and to enrollment in the Open and Special Enrollment Periods. The Pre-Existing Conditions Exclusion does not apply to new-born or adopted children.

New employees and new dependents should give serious consideration to continuing the COBRA privilege granted under a previous employer's health plan if there are any concerns that a medical condition may be considered pre-existing under the terms of this Plan.

Departing Employees or Dependents No Longer Eligible will be provided a certification of coverage from this Plan that can be submitted to possibly offset the waiting period for coverage of pre-existing conditions under a new health plan. Departing employees and dependents no longer eligible for coverage will be entitled to COBRA coverage.

Newborns' and Mothers' Health Protection Act (NMHPA): The NMHPA establishes minimum in-patient hospital stays for newborns and mothers following delivery, based on medical necessity. The Plan has never imposed limitations regarding the length of an in-patient hospital stay following delivery. The Plan's decision to opt-out of NMHPA will have no effect on current or new employees.

Mental Health Parity Act (MHPA): The Mental Health Parity Act does not allow plans to establish financial limits on mental health treatment, but does allow plans to establish limits on the number of out-patient office visits, number of in-patient days allowed, coverage of prescription drugs to treat mental health conditions, or elimination of mental health treatment altogether.

The Plan provides treatment for mental health and nervous conditions as well as substance abuse. The alternatives provided by MHPA may be more restrictive on coverage of mental health conditions than the limits currently established under the Plan. The Plan's decision to opt-out of MHPA will result in no change in the handling of claims for Mental Health and Substance Abuse treatment.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

The Plan complies with the Women's Health and Cancer Rights Act, providing the following benefit:

The Health Plan provides medical benefits for mastectomies for treatment of breast cancer including reconstructive surgery of the breast on which the mastectomy was performed, and of the other breast to produce a symmetrical appearance; prosthesis and coverage of physical complications resulting from all stages of the mastectomy, including lymphedema. Coverage of prosthesis includes initial placement of prosthesis and replacements as determined to be Medically Necessary. Coverage of prosthesis also includes the brassiere required to hold the prosthesis, limited to a Plan Year Maximum Benefit of four (4) brassieres.

NOTICE OF A SPECIAL ENROLLMENT PERIOD FOR A CHANGE-IN-STATUS EVENT

If you or any of your family members declined coverage in the Plan when first eligible for coverage (or during the annual Open Enrollment Period), you may enroll in the Plan or enroll your Eligible Dependents when certain events cause a Change-In-Status Event. Some Change-In-Status Events result in termination of coverage for a dependent. To make an enrollment change due to a Change-In-Status Event, you must contact the Human Resources Department within 30 days of the event. Change-In-Status Events include:

1. A change in your marital status (marriage, divorce, legal separation or death of your spouse).
2. A change in the number of your dependents (birth or adoption of a child, death of a child, or obtaining legal custody of a child who permanently resides in your home and is not a foster child, or obtaining legal guardianship of a child because the child's parents are dead or have had their parental rights terminated by court action).
3. A change in your, or your spouse's employment status (starting/ending employment, changing from part-time to full-time or vice versa, a strike or lockout, or your spouse taking or returning from an unpaid leave or leave under the Family and Medical Leave Act or USERRA during which your, or your spouse's coverage terminated).
4. Exhaustion of your coverage period under a previous employer's COBRA continuation.
5. A significant change in the costs of or coverage provided by your spouse's employer-sponsored health plan.

ANNUAL NOTICE CONCERNING FEDERAL LAWS & ACTS AND POLICIES OF YOUR PLAN

6. A significant change in the costs of or coverage provided by this Plan.
7. A change in the eligibility status of a dependent child (marriage of the child, child reaching the maximum age for coverage under the Plan, child meeting or no longer meeting the definition of a Full-Time Student or child becoming employed on a regular, full-time basis).
8. An end to the Disability of a Disabled child enrolled as your dependent under the Plan.
9. A change in your residence or work site, or that of a spouse or dependent, which affects ability to access benefits under this or another employer-sponsored health plan.
10. A required change due to a court order.
11. Your entitlement to Medicare or Medicaid or your dependent's entitlement to Medicare or Medicaid.

For Employee and/or Eligible Dependents enrolling during The Special Enrollment Period, the Pre-Existing Conditions Exclusion waiting period may be waived in whole or in part by receiving credit for the period of time the Employee has been employed in a benefits-eligible position.

SECTION 125 PREMIUM CONVERSION PLAN

The Section 125 Premium Conversion Plan allows you to pay your Employee Contribution for the Plan with pre-tax dollars through salary reduction rather than regular pay. The Employee Contribution is deducted from your paycheck before taxes are taken out. This allows you to increase your spendable income by reducing your taxes (your Social Security retirement benefit may be slightly reduced).

All Eligible Employees are automatically enrolled in the Section 125 Plan. You may change your election for pre-tax premiums for the coming year during the Open Enrollment Period held in November, or during the Plan Year if you incur a Change-In-Status Event.

NOTICE OF YOUR RIGHT TO COBRA CONTINUATION OF COVERAGE UNDER THE PLAN

This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation

Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the USA Health & Dental Plan Member Handbook or contact the Human Resources Department.

What is COBRA Continuation Coverage? COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens: (1) your hours of employment are reduced, or (2) your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens: (1) your spouse dies; (2) your spouse's hours of employment are reduced; (3) your spouse's employment ends for any reason other than his or her gross misconduct; (4) your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or (5) you become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens: (1) the parent-employee dies; (2) the parent-employee's hours of employment are reduced; (3) the parent-employee's employment ends for any reason other than his or her gross misconduct; (4) the parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both); (5) the parents become divorced or legally separated; or (6) The child stops being eligible for coverage under the Plan as an Eligible Dependent.

When is COBRA Coverage Available? The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Human Resources Department has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment or death of the employee, the Employer will notify the Human Resources Department of the qualifying event.

ANNUAL NOTICE CONCERNING FEDERAL LAWS & ACTS AND POLICIES OF YOUR PLAN

You Must Give Notice of Some Qualifying Events. For the other qualifying events (divorce or legal separation of the employee and spouse, a child's losing eligibility for coverage as an Eligible Dependent or the employee's becoming entitled to Medicare benefits under Part A, Part B, or both), you must notify the Human Resources Department within 60 days after the qualifying event. Any notices you give must be in writing. Verbal notice, including notice by telephone, is not acceptable.

How is COBRA Coverage Provided? Once the Human Resources Department receives notice that a qualifying event has occurred, COBRA coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

To protect your family's rights, you must inform the Human Resources Department of any COBRA qualifying events, and you should notify the HR Department of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Human Resources Department.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a child's losing eligibility as an Eligible Dependent, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight (8) months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus eight (8) months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability extension of 18-month period of continuation coverage – If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Human Resources Department in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. The Human Resources Department will provide you with information on the notice procedure required to obtain the disability extension.

Second qualifying event extension of 18-month period of continuation coverage – If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If You Have Questions concerning your Plan or your COBRA continuation coverage rights, contact the Human Resources Department. For more information about your rights under COBRA and other laws affecting group health plans, contact the nearest office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) or visit the website at www.dol.gov/ebsa. Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.

IMPORTANT NOTICE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Plan and prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare prescription drug coverage and can help you decide whether or not you want to enroll. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage Plans that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Your Employer has determined that the prescription drug coverage offered by the Health Plan is, on average for all Plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay and is considered Creditable Coverage.

Because your existing coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from November 15th through December 31st. Beneficiaries leaving employer coverage may be eligible for a Special Enrollment Period to sign up for a Medicare prescription drug plan.

You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

If you do decide to enroll in a Medicare prescription drug plan and drop your Health Plan prescription drug coverage, be aware that you and your dependents cannot get this coverage back.

ANNUAL NOTICE CONCERNING FEDERAL LAWS & ACTS AND POLICIES OF YOUR PLAN

Please contact the Human Resources Department for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

The USA Health & Dental Plan offers Medicare-eligible participants with coverage that provides greater benefits for prescription drugs than does the new Medicare Part D prescription drug benefit. The Plan offers valuable coverage for other health care services that may or may not be covered by Medicare.

There is no benefit on average for a Plan member to take the Medicare Part D benefit and pay an extra premium for that benefit.

You should also know that if you drop or lose your coverage under this Plan and don't enroll in Medicare prescription drug coverage after your current coverage ends, you may pay more (a penalty) to enroll in Medicare prescription drug coverage later.

KEEP A COPY OF THIS MEDICARE PRESCRIPTION DRUG NOTICE DATED 11/15/2006. IF YOU ENROLL IN ONE OF THE NEW PLANS APPROVED BY MEDICARE THAT OFFER PRESCRIPTION DRUG COVERAGE, YOU MAY BE REQUIRED TO PROVIDE A COPY OF THIS NOTICE WHEN YOU JOIN TO SHOW THAT YOU ARE NOT REQUIRED TO PAY A HIGHER PREMIUM AMOUNT.

If you go 63 days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium will always be at least 19% higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to enroll.

For more information about this notice or your current prescription drug coverage, contact the Human Resources Department. You will receive this notice annually and at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if your coverage through the Plan changes. You also may request a copy.

For more information about your options under Medicare prescription drug coverage, read the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every

year from Medicare. You may also be contacted directly by Medicare prescription drug plans.

For more information about Medicare prescription drug plans, visit www.medicare.gov or call your State Health Insurance Assistance Program (see your copy of the Medicare & You handbook for their telephone number) for personalized help. You may also call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information is available from the Social Security Administration (SSA) online at www.socialsecurity.gov, or you can call 1-800-772-1213 (TTY 1-800-325-0778).
