Tuberculosis Screening & Immunization Form for International Students

ALL NEW INTERNATIONAL AND ESL STUDENTS **MUST**:

- 1. Provide proof of adequate immunization against certain diseases.
2. Have received the meningitis vaccine within the last five years.
3. Provide proof of a negative tuberculosis screening skin test within the last six months or tuberculosis blood test.

ALL IMMUNIZATION RECORDS SHOULD BE SUBMITTED IN ENGLISH

The Tuberculosis screening must be an FDA approved test.

The University of South Alabama (USA) requires that all International and ESL students born after 1956 must have had two doses of measles containing vaccine (rubeola, M.R., MMR) prior to registration. One dose must have been after 1980 and at least one of the doses must have been an MMR. Also, USA requires that international and ESL students MUST provide acceptable proof of tuberculosis screening. The screening result date must be within the past six (6) months.

Name: Jag#: DOB:

TB Skin Test (TST/PPD): Date Result in mm Positive Negative
Quantiferon Gold: Date Result in mm Normal Abnormal
If TST Positive, Chest X-ray: Date Normal Abnormal

In lieu of above:

Positive titer date (Rubeola) Positive titer date (Rubella)
Positive titer date (Mumps)

Physician/Authorized Signature: Date: License #/Office stamp:

Please have your health care provider complete and sign or attach documents verifying that you have completed the required screenings and immunizations. Failure to provide this documentation prior to the beginning of class may impact your enrollment status. All NEW international students admitted to USA must submit immunization documents prior to orientation or vaccines will be administered at the Student Health Center.

Additional forms may be obtained at https://www.southalabama.edu/departments/eforms/studenthealth/. Please submit your immunization documentation to the Student Health Center by logging on to the webportal at https://studenthealth.southalabama.edu.
